

Easy English Lessons

Learn English with your ears not with your eyes
Aprenda Inglês com seus ouvidos, não com seus olhos

I – CONVERSATION

Today

Today I have to go to church because my brother and my mother study there. I have the car because I have to go to the store to buy fruit, sugar and bread, but they need the car to go home. Then, my brother and I need to study English with the neighbor, an English teacher.

I don't like to study English with my teacher at school

Do you study English at school? Do you like to study English?
